

HI,  
I'M AMELIA

Amelia has been in the industry for 26 years. I've worked with the high end names in skin care and that is why I've chosen Synergie, as my product of choice, giving outstanding age reversal results with its clean science formula that protects the cells from further environmental damage slowing down ageing and pigmentation.

Trained at Ella Bachè college, Candela laser trained whilst working at Laser Clinics as a Dermal therapist. She has also worked with skin needling for over 10 years.

Known as the "Brow & Lash specialist" at Joh Bailey in Double Bay with her high profile clientele, before returning to the beaches to raise her boys & run her home based business for 10 years.

Amelia created In Good Face to be your private, boutique, beauty destination where all your tailored prescription treatments will be thoroughly fulfilled in our relaxing bespoke rooms.

I look forward to meeting you!
